Grantee	Duration	Value	Summary
Organic Mango Outgrowers Association (OMOA) 1941-GHA	2009-2014	\$231,855	Agriculture (Organic Mangoes): Organic Mango Outgrower Association (OMOA) is an association based in the Northern Region of Ghana. The association is made up of 1,240 farmers growing organic fair trade mangoes for export to the EU and maintains a partnership with a local organic mango nucleus farm, Integrated Tamale Fruits Company, Ltd (ITFC).
Ejisu Juaben Pig Farmers and Processors Association 1975-GHA	2009-2013	\$228,977	Agriculture (Livestock): Ejisu Juaben Pig Farmers and Processors Association (PFA) is an association based in the Ashanti Region of Ghana that rears pigs, processes and markets pork, and assists its members to procure inputs at a reasonable price. Funding will be used to improve organizational, financial and management systems. Members will participate in piggery operations, management and electricity installation trainings.
Eden Tree Limited 2031-GHA	2009-2013	\$236,781	Agro-Processing (Vegetables, Fruit & Herbs): Eden Tree LTD (Eden Tree) is a vegetable, fruit, and herb processing company based in Accra, Ghana. Eden Tree would like to take advantage of increased market demand from the local supermarkets and hotels however outdated and obsolete technology, lack of working capital, and inadequate skills prevent the company from capitalizing on the market demand. Funds will be used to establish a revolving loan fund, train farmers in best agronomic practices, and purchase processing equipment.
